

Invest in your child

Invest in our future

When you play educational games with your children, you're not only having fun together, you are building their early literacy skills. Children who can recognize letters and print their names when they start school are kids who are ready to succeed. And research shows that success at school leads to success and happiness throughout life.

Visit www.ourkidsnetwork.ca/uey for fresh, fun ideas on building early literacy skills.

Helping you make a lasting investment in your child's future.
