

Halton Youth Survey

The purpose of this survey is to find out what students like you, think and do about a variety of issues

Do not put your name on the questionnaire. Your individual response will be kept completely secret and confidential. We will only publish summary information for large groups of students. This is not a test! There are no right or wrong answers. Do not spend too much time on any one question – go with the answer that first comes to your mind.

Please read each question carefully and answer to the best of your ability. We ask you to be completely honest and accurate when you answer the questions.

If you are not comfortable answering the question, leave it blank and go to the next question.

1. **To begin, please enter your six digit postal code (no spaces or dashes)**

Postal codes will **NOT** be used to identify individual students.

Your six digit postal code will assist us in grouping all Halton students by neighbourhood.
